

Meeting Minutes October 8th, 2018

Meeting Called to order at 7:04 pm

Members Present: Shawna Jamison, Shelley Capps, Brook Durocher, John Shepherd, Julie Shepherd.

Shelly read the previous month's minutes. Brook approved and Shawna seconded. Motion passed.

Discussion regarding the Committee formed for requisitions approval.

Brook said she did not receive the e-mail even though she is on the committee. We would like to know who received the email and how many responded. In other words, is it working? Is it effective?

Homecoming went well even though there was not a police officer on the parade route. Going forward, we really do need one for safety concerns.

All of the high school classes ended up getting close to the same dollar amount of prize money. Kids threw the Booster Club little footballs to the crowd.

Signs: John talked to Annie about Banners. They discussed attaching them to the railings for easy placement.

New Business:

Lorran Depner requested funds for portable recording system. Christina contacted the committee via email and the majority approved so funds were granted.

John and Julie have signs in their garage. Scott Inbody had made them for a golf tournament.

The Shepherds think they could be re-purposed for yard signs for the Booster Club.

There was a brief discussion on whether they could be spray painted and painted on with Bulldog stencil. Julie said she would experiment on one to see.

There was talk about Booster Club members renting them for tournament weeks. Or for any extracurricular event; sports, music festival, speech and drama, concerts, etc. If you have any ideas, please let Julie know.

Meeting adjourned at 7:30pm
